

THE SAME

Mientras tengamos capitalismo, este planeta no se va a salvar, porque el capitalismo es contrario a la vida, a la ecología, al ser humano, a las mujeles."

Donde haya un árbol que plantar, plántalo tú. Donde haya un error que enmendar, enmiéndalo tú. Donde haya un esfuerzo que todos esquivan, hazlo tú. Sé tú el que aparta la piedra del camino

Gabriela Mistral

ABRIL

Nadie en el mundo, nadie en la historia ha conseguido su libertad apelando a la buena voluntad de sus opresores.
